NOTE TO THE READER

All who study the “Radical” Reality-Way of Adidam Ruchiradam or take up its practice should remember that they are responding to a Call to become responsible for themselves. They should understand that they, not Avatar Adi Da Samraj or others, are responsible for any decision they make or action they take in the course of their lives of study or practice.

The devotional, spiritual, functional, practical, relational, and cultural practices and disciplines referred to in this book are appropriate and natural practices that are voluntarily and progressively adopted by members of the practicing congregations of Adidam (as appropriate to the personal circumstance of each individual). Although anyone may find these practices useful and beneficial, they are not presented as advice or recommendations to the general reader or to anyone who is not a member of one of the practicing congregations of Adidam. And nothing in this book is intended as a diagnosis, prescription, or recommended treatment or cure for any specific “problem”, whether medical, emotional, psychological, social, or spiritual. One should apply a particular program of treatment, prevention, cure, or general health only in consultation with a licensed physician or other qualified professional.

The Eternal One is formally authorized for publication by the Ruchira Sannyasin Order of Adidam Ruchiradam. (The Ruchira Sannyasin Order of Adidam Ruchiradam is the senior Cultural Authority within the formal gathering of formally acknowledged devotees of His Divine Presence, Avatar Adi Da Samraj.)
